

*Galilee Today Alternative Tours* is the perfect guide for those interested in learning about Palestine's rich history and the effects of Israel's ongoing practices of erasure and containment on land, architecture, heritage sites and people. Through *Galilee Today Alternative Tours* we want activism and tourism to meet, to share our knowledge on Palestinian history and contemporary life.

With our tours you will:

- learn about the rich history of historic Palestine through the eyes of the Palestinians still living on their ancestral land
- visit the ancient cities of Nazareth, Akka or Tiberias and the destroyed villages of 1948
- learn about the daily life of the Palestinians within the green line
- experience the hospitality of the people during a home stay in Sakhnin
- eat a festive, home-cooked Palestinian dinner

Tours are available in English, Arabic, Hebrew and Dutch

You can choose between one of our set programs or you can design your own tour.
